European Forum for Agricultural and Rural Advisory Services (EUFRAS)

Declaration of Acceptance

We, the European Forum for Agricultural and Rural Advisory Services (EUFRAS), hereby officially declare the acceptance of the Agricultural Knowledge and Innovation Institute (AKII) as a new member organization within our network.

AKII has demonstrated an active commitment to engaging in international cooperation within the scope of EUFRAS activities. As a new member, they have actively participated in our network, which currently represents 52 organizations from 30 countries. We anticipate and welcome the prospect of new members joining our forum in the years to come.

On behalf of EUFRAS, we express our enthusiasm for the continued development of our cooperation and the collaborative activities that we will embark upon with the Agricultural Knowledge and Innovation Institute.

Sincerely,

Anita Dzelme

EUFRAS Vice-Chairman of the Board
